

Cover Point

The Newsletter of Plumtree CC

I've left the early fixtures on for a second month even though the fixture book will be out shortly, it's not quite there yet. You will also be pleased to know that when you come for your pint on Saturdays (or Sundays or whenever come to that) you will be sitting on new seating currently being installed. The new social calendar has both old favourites and new features.

Of particular note are the two Twenty20 competitions which we will be hosting and promise to bring great entertainment. Please support the events and continue to support your club.
