The Newsletter of Plumtree CC

Its been a tough start as you can see for our teams. The 3rds are going well and if you read the reports from the other matches there are lots of positives to be had, results will come. What about Dallas? Taking over the Evening Post sports pages, goodness me.

Geoff Moore

Geoff, an Honorary Life Vice President of the Club, very sadly passed away this month. Geoff and his wife Brenda have a long association with the Club, originally in support of their son Richard, who played for the Club from early days as a Colt through all levels of cricket to regular 1stX1 player, but they always involved themselves and supported the various Club activities.

Later and for many years Geoff was equally involved with the Club as our Groundsman. As Groundsman he oversaw the beginning of the many changes that have taken place at Bradmore Lane, leading to the quality that the ground now enjoys. This was always achieved in a quiet & effective manner. Our heartfelt sympathy go to Brenda his wife, Richard his son and to his family now mourning this loss.
