

Welcome to the latest update of news and information from CF Sports.

- There is definitely the feeling of a new season in the air as winter nets are now in full swing and there is even talk of outdoor practice in certain quarters. Surely not - there's still snow on the ground in some places! So, are you fully prepared? Does your club need new or additional training equipment? A new set of stumps for when the matches eventually get under way? Match balls (senior and junior)? Net balls? Kwik cricket sets? Scorebooks? Now is the time to be checking the equipment store.
- We make no apologies for reminding clubs that if they want to place bulk orders for playing wear for the coming season, please do it as soon as possible. The closer we get to April the longer the lead times will become. So please don't leave it until the last minute - get your orders in now!
- You may already have received an email about the Bruce French wicket keeping master class that is happening over the Easter weekend, 3rd and 4th April. This is the opportunity of a lifetime to be coached by the current England wicket keeping consultant. Full details can be found on our website, www.cfsports.co.uk. We are expecting heavy demand and there are only 20 places available. So, don't miss out - BOOK NOW!
- The new season is bringing with it a new range of CF equipment. Some of you may already have seen the new, bigger profile bats that Charlie has introduced for 2010. At the same time, we have taken the opportunity to change the name of a couple of the bats: the Limited is now the Premier Cru, and the Fusion has become the Aria. Also, we will shortly have a new softwear range of pads and gloves. Further details will follow shortly.
- We have already embarked on our tour taking kit nights to clubs. The response has been good and the nights have been well supported. And it's still not too late to get involved. If your club wants a kit night and benefit from heavily discounted equipment, please contact us to arrange a mutually convenient date. You will also get to see our range of playing, training and leisure wear including our new training trousers. Ring the office on 01623 654242 or contact us by email at enquiries@cfsports.co.uk.

As always, many thanks for your support and we look forward to hearing from you over the coming weeks.

Best wishes
